Admiral Stansfield Turner
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Admiral Turner:

I have received an inquiry from Mr. V. George Paegle
of the Connecticut League of Latvian Organizations,
Manchester, Connecticut, concerning the first Prime
Minister and last President of Latvia, Karlis Ulmanis.
This inquiry is made in behalf of the Latvian community
in Connecticut.

It is my understanding that Karlis Ulmanis, a graduate
of the University of Nebraska, was deported by the
Soviet forces from Latvia to the U.S.S.R. on July 22,
1940. The Latvian community is anxious to learn the
fate of Mr. Ulmanis, where, when and how he perished,
and the location of his final resting place.

It occurred to me that the C.I.A. files might have
a record of Mr. Ulmanis and his activities. Any
information which you might furnish me would be
deeply appreciated by the Latvian community. Should
your Agency not have any information on Mr. Ulmanis,
perhaps you might suggest additional sources where
an inquiry may prove fruitful.

Thanking you for your assistance, I am,

Sincerely,

William R. Cotter
Member of Congress
